## Market Summary

RENO, Nev. – The Reno/Sparks Association of REALTORS® (RSAR) today released its November 2019 report on existing home sales in Fernley, including median sales price and number of home sales in the region. RSAR obtains its information from the Northern Nevada Regional Multiple Listing Service ([www.nnrmls.com](http://www.nnrmls.com)).

The November 2019 report indicated that Fernley had 46 sales of existing single-family homes, a decrease of 10 percent from October 2019 and a 4.5 percent increase from November 2018. The median sales price in Fernley for an existing single-family residence in November 2019 was up 4 percent from October to \$273,250 and up 4 percent from November 2018. All sales numbers are for existing “stick built single-family dwellings” only and do not include condominium, townhome, manufactured, modular or newly constructed homes.

“While the number of sales dropped for November, Fernley is on the same steady track of a 4 percent year over year price increase, coinciding with the national average,” said REALTOR® Angelica Reyes, 2019 RSAR president and managing broker for The Right Choice Realty. “Months’ supply of inventory was up another 3 percent from October, ending at 2.3 months.”

## Glossary

**Active Inventory Units** is the number of Active properties available for sale at the end of the month., based on the List Date, Contract Date and Sold Date. This may change over time as properties fall out of contract.

**Days to Contract** is the Average number of days between when a property is listed and the contract date when an offer is accepted.

**Median Sold Price** is the mid-point where the price for half of the sales are higher and half are lower. Median is preferred to average as it better accounts for outliers at the high or low end of the price range.

**Months Supply of Inventory (MSI)**, also known as Absorption Rate, is the number of months it would take to sell through the units available for sale at the current monthly sales rate. The National Association of REALTORS® describes a balanced market as between 5 and 7 months supply of inventory (MSI).

**New Contracts** is the number of properties newly under contract in a given month or time period.

**New Listings** is the number of properties listed in a given month or time period.

**Percent of Ask Price Received** is the average of the Sales Price divided by the most recent Ask Price, and expressed as a percentage.

**Units Sold** is the number of properties which actually Sold within a given month or time period.
